## ROYAL CHANNEL ISLANDS YACHT CLUB (GUERNSEY) LBG

---

10 July 2015

Dear Member,

The season is in full swing and I trust you have been enjoying the great weather we have been having. It has certainly been the season for great sunsets and so much the better is you have been able to view it off your boat, either sailing or anchored.

This coming week we have the Cruise Club heading to Jersey. I trust you will be able to navigate to the right destination unlike Jersey's Sports Minister.....

We also have the Oak Trust Impi Shield yacht race in aide of Male Uprising Guernsey, our local Cancer Charity on the 18th.

This year, entry is free and the reception is free for racing participants. Instead we ask that you make a donation to M.U.G. There will also be an auction on the day, prizes will include a week's holiday in an Apartment in Portugal, World Cup Rugby Tickets for the England Warm-up Games, and a Limited Edition Chart Book covering our Islands which have been generously donated by Roger Allsopp. The standard Hog Roast and festivities will seal what promises to be a great evening in the Marquee.

I look forward to seeing you there.

Safe sailing
