## ROYAL CHANNEL ISLANDS YACHT CLUB (GUERNSEY) LBG

---

3 November 2017

Dear Member,

We are extremely pleased to reveal **Babbé LLP** as the first “Top-Brass” sponsor of the Club. Those of you who have visited recently will have noticed the addition of a “**Babbé - Accent on Excellence**” brass plaque to the Club’s door. The firm has had a fantastic year, being named ‘Top Tier’ for litigation in legal reviews, and their partners and Club members Advocates Guggenheim, Laws and Swan receiving high-flying peer-reviewed accolades. We are extremely pleased about their very generous support of, and affiliation with the Club.

The Dinner, Dance and Prizegiving on Saturday 28th October went off without a hitch. It was great that **His Excellency and Lady Corder** were there with **His Excellency** proposing the Loyal Toast and presenting the Governor’s Cup and **Lady Corder** presenting the remainder of the trophies. Thank you very much again to **Vanessa Mahy** for organising the whole thing ably assisted by the Flag Officers and Committee, the balloons were particularly admired, but the whole thing of getting

people together, paid up, the work involved in the menu cards, a great job, well done. Thanks to **David Raines** for a superb job as Master of Ceremonies and **Julia Schaefer** for a fantastic performance presenting the prizes. There were 113 people in attendance which I believe is the highest number for many years. The **Rocquettes Hotel** was a great venue and the management and staff were brilliant. By the way, **His Excellency** was very complimentary about the food. Next year?

The Richard Corcoran Memorial Beaucette Cruise was held on Saturday 7th October to coincide with the first full weekend of the Tennerfest. **Vanessa Mahy** did a fantastic job of providing the restaurant with the information that they required when they required it, no mean feat. 4 boats made the journey from St Peter Port to Beaucette. **Stuart and Sarah Crisp** took their boat **Strider** and caught fish on the way back! **John and Alison Frankland** took their boat **Spindrift** up and back without hitting anything. **Adrian Lay** took his very smart new boat **Skipper's Pride** (if ever there was an aptly named boat it is this one). **John Frankland** did a great briefing in the Clubhouse on the Wednesday evening before the trip and armed with his excellent A4 handout **Glory Days** managed to get there without hitting a thing using the traditional methods of transits and compass courses contained on this concise document. It was the only trip this year when we didn't switch on the GPS at all, probably because nobody on board knew how to, but it was really good to do it the old fashioned way for a change.

For the diary Tuesday 21st November RNL/CIAS Cocktail Party. Please let us know if you would like to make and bring along any canapés, finger food that sort of thing which has become traditional.

The Laying Up Supper is on Saturday 25th November. Only a few people have signed up for this so far but now that the Dinner and Dance is out of the way we are hoping that your attention can turn to this. Please either sign up on the board in the Clubhouse or let Vanessa Mahy know that you are intending to come along.

Congratulations to **Simon Henning** and his crew on Alice for their success in this seasons IRC class E at Les Voiles de St Tropez. Their main opposition was Expresso 2, the optimised JPK 1010 that pipped them for the overall trophy in the

IRC European Championship in Marseille in July. But this was 5 days of racing [one abandoned for lack of wind], one race a day, on courses of between 14 and 25 miles. In over 15 knots of breeze, races 1 and 4, the JPK was untouchable, but in under 10 knots of wind, races 2 and 3, she was out of the game. Then their problem was Heat, the Mumm 30. So a great 2017 Med' season for Alice, 3 regattas, 3 wins. Roll on 2018!
